**Arthur Anthony Macdonell : A Vedic Reader for Students** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Vedic Reader for Students:

This reader contains thirty hymns of the Rigveda in the original Samhita and Pada texts, with transliteration, translation, explanatory notes, an introduction, and vocabulary. Designed as a companion volume to Macdonell's Vedic Grammar for Students, it is designed primarily for students who, while acquainted with Classical Sanskrit, are beginners in Vedic.
