Letshama : Bagologolo ba re! (The Old People Say!) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bagologolo ba re! (The Old People Say!):

A collection of Setswana proverbs presented with their explanations. English and Afrikaans translations and their explanations are also given. The Botswana of yester-year expressed great wisdom by means of proverbs. This tradition has gone but they have left us a precious heritage. These proverbs are grouped under the following headings: community and family life; leadership and teamwork; youth; behavioural guide; hospitality and nourishment; motivation; and situations and human nature.
