John McCannon : Barron's AP World History, 7th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Barron's AP World History, 7th Edition:

1 of 1 people found the following review helpful. It's easy to follow and doesn't linger on unnecessary topicsBy Gabriella MotlaghI've used a lot of AP prep books, but Barron's has always been my number one choice. It's easy to follow and doesn't linger on unnecessary topics. It's to the point and the example tests are great to study from.0 of 0 people found the following review helpful. World HistoryBy A. MooreMy daughter was 9th grade when studying that subject, her final grade was an "A". I would say that these books or cards are very helpful.0 of 0 people found the following review helpful. Recommended!By 2468Great review book! Helped me to prepare for the exam. I received a 4 due to this book, other review materials, and crash course videos by John Green :)

With this fully revised and updated guide, students will receive in-depth preparation for the NEW AP World History

exam being administered for the first time in May of 2017. This must-have manual includes: Revised strategies for answering all question types unit short cut charts that help organize a better study plan Two full-length practice tests with answer explanations reflecting the new exam A review of world history, from the foundations of civilization circa 600 B.C.E. to world cultures of the twenty-first century Reflects the new learning objectives and themes required by the College Board. The key concepts at the beginning of each chapter serve as a study guide. This manual can be purchased alone or with an optional CD-ROM that presents two additional full-length practice tests with automatic scoring and fully explained answers. **BONUS ONLINE PRACTICE TEST:** Students who purchase this book or package will also get FREE access to one additional full-length online AP World History test with all questions answered and explained.

From the Inside Flap
