Joseph Pearce, Raymond Burke : Beauteous Truth: Faith, Reason, Literature Culture before purchasing it in order to gage whether or not it would be worth my time, and all praised Beauteous Truth: Faith, Reason, Literature Culture:

17 of 17 people found the following review helpful. Logophiles rejoice!By CustomerHe brilliantly discusses the greatest literary works of our time in a way non-English major can understand and appreciate. He clearly loves the written word and the redemptive power it can wield in the right hand. I found everything about the book loving and only discriminatory towards evil and sin.3 of 59 people found the following review helpful. The usual anti-Zionism. Turned me off.By ConanThe author is of the incredible opinion that Israel should not be permitted to have nuclear

weapons because her neighbors have been prevented as such. He believes that Iran, Syria and Egypt should be permitted to have nuclear weapons. He is a Graham Greene (anti-Semite) apologist. And this is truth?

Beauteous Truth explores the inextricable connection between the Good, the True and the Beautiful. It is a book that makes the necessary connections between faith and reason and between theology, philosophy, history and literature. It presents a panoramic overview of Western Civilization, from Homer to Tolkien, and highlights the importance of the great figures of the Catholic cultural revival, including Newman, Wilde, Chesterton, Belloc, and C.S. Lewis. Ranging from Shakespeare to Solzhenitsyn, Beauteous Truth celebrates the marriage of sanity and sanctity, which is the fruit of the indissoluble union of fides et ratio.

About the Author Joseph Pearce is the author of best-selling biographies of major Christian literary figures, such as Shakespeare, Tolkien, C. S. Lewis, G. K. Chesterton, and Oscar Wilde. His biography of Alexander Solzhenitsyn won the coveted Pollock Award for Christian Biography. He is editor of the St. Austin (www.staustinreview.com), executive director of Catholic Courses, series editor of the Ignatius Critical Editions, and is writer in residence and associate professor of literature at Ave Maria University in Florida.
