Renate Bridenthal, Susan Stuard, Merry E. Wiesner-Hanks : Becoming Visible: Women in European History before purchasing it in order to gage whether or not it would be worth my time, and all praised Becoming Visible: Women in European History:

0 of 1 people found the following review helpful. I like the bookBy herenowReceived in a timely manner. It was for a class. I like the book.0 of 2 people found the following review helpful. TextbookBy ChaleRequired reading for a women in history class, although an interesting subject, some of the chapters were a little hard to navigate.0 of 3 people found the following review helpful. Stupid Communist book that ignores mentioning any negatives about USSR ...By Sohela biased pro-communist book. Stupid Communist book that ignores mentioning any negatives about

USSR or its Dictators, such as Stalin.

Thematic emphases in this text include the contacts between European women and those outside European frontiers, sexuality and its importance for the construction of gender over the centuries, and the role of women in the great events and movements in European history and the impact of such events on them.
