Thomas Troward : Bible Mystery and Bible Meaning before purchasing it in order to gage whether or not it would be worth my time, and all praised Bible Mystery and Bible Meaning:

2 of 2 people found the following review helpful. This book fills you with peaceBy DISA This book enlightens one to the greatest story ever told, reading it fills you with such peace. It clearly explains the many metaphors and symbolisms contained within the stories told by Our savior. I loved this book and I had a great sense of security while reading it. This is one of those books that draws one nearer to the divine.0 of 0 people found the following review

helpful. ExcellentBy DKKMExcellent, thought provoking, insightful and well organized. Very in-depth on the subject matter. Definitely food for the soul. Kept my interest.3 of 3 people found the following review helpful. Reading the Bible will never be the sameBy Jerry KuzniewskiTroward's insights illuminated the Bible in a way that made me want to make it my next "go to" book! Going through it the second time made it even better!

From the Author's Foreward: The favorable reception accorded to my Edinburgh Lectures on Mental Science has encouraged me to offer another book to my readers. The present volume is written from the standpoint that we possess latent powers which a better knowledge of the truth regarding ourselves will enable us to develop, and that the purpose of the Bible is to lead us into this knowledge in a perfectly natural manner, while guarding us against the dangers arising from misuse of it. That we should ever arrive at a point when we shall be no longer confronted by the element of mystery which is inherent in the livingness of Life is impossible; but this mystery is the Mystery of Light and not of darkness, and will continually unfold itself into more light in response to our earnest inquiry into its meaning; and I have therefore given this book a title indicative of the ever-presence of an august Mystery together with intelligible Law.
