Dan Fisher : Bringing Back the Black Robed Regiment: Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Bringing Back the Black Robed Regiment: Volume 1:

5 of 5 people found the following review helpful. Gives great insight to what the relationship should be between the ...By Bob Hill Gives great insight to what the relationship should be between the government and the church. The concept of "church and state" has be distorted by the enemies of our freedom. The "Black Robed Regiment" was an integral part of the winning of our freedom that now has been lost.5 of 5 people found the following review helpful.

Calling all preachers and your guns rally at the old church
By Kayli
Excellent history lesson for all who really care about the way our nation won its freedom from the oppressive regime of king George. And how the same principles could be used against the current tyranny developing in and out of America.

By Howard BI have just started reading the book, but am pleased at this point. What I have read was not the prime information that I remember from school. I brings a whole different picture as to the involvement of religion and politics regarding the Revolutionary War.

They were prophets of liberty and truth. They bravely led their men onto the battlefield to face the cold steel of the dreaded Redcoats. They were hated and feared by the British who called them the ""Black Robed Regiment."" Who were they? They were America's ""patriot preachers"" of the 18th century. Believing the Bible addressed every subject, including politics, wearing their black preaching robes, they boldly preached about spiritual and civil liberty. When the inevitable clash with the British came, they courageously defended liberty. Volume I of Bringing Back the Black Robed Regiment documents how these preachers courageously led their men onto the battlefield. Volume II explains the biblical convictions that motivated them to fight and shows how America will not survive without a rebirth of patriotism in the pulpit.
