George D. Bond : Buddhism at Work: Community Development, Social Empowerment and the Sarvodaya Movement before purchasing it in order to gauge whether or not it would be worth my time, and all praised Buddhism at Work: Community Development, Social Empowerment and the Sarvodaya Movement:

1 of 2 people found the following review helpful. Exploring the power of non-violent social transformation By Midwest Book Review Buddhism At Work: Community Development, Social Empowerment, And The Sarvodaya

Movement by George D. Bond examines how the Sarvodaya Shramadana Movement in Sri Lanka has sought to enlighten society through Buddhist and Gandhian ideals. Exploring the power of non-violent social transformation and the enduring strength of grassroots efforts, *Buddhism At Work* offers contemporary readers with a moving testimony to the positive power of collective will and labor. *Buddhism At Work* is a core addition to any dedicated Buddhist Studies personal reading list or academic library collection.

*Continues the story of the Sarvodaya Movement begun in Joanna Macys *Dharma and Development**Up-to-date information stems from ten years of scholarly and field research In one of the worlds most inspirational grassroots-development stories, *Buddhism at Work* outlines the vision and evolution of the Sarvodaya Shramadana Movement in Sri Lanka, as its members have sought to engage and awaken society with Buddhist and Gandhian ideals. Now an international movement and NGO, Sarvodaya calls for individuals and groups to achieve non-violent social transformation through cooperative work. Its vision and its voice are poised to contribute to the emerging global dialogue on peace, social justice, and community development. *Buddhism at Work* embraces a new hope for humanity.

"More than four decades after one of the worlds most impressive community-development efforts began, we can finally examine the Sarvodaya Shramadana Movement in historical, cultural and political contexts. George Bonds book offers an excellent perspective on how the premises and practices of Sarvodaya evolved over time." "Provides hard-to-find details about the last 20 years of the movement and compares its construction of Buddhism with Buddhist nationalism and fundamentalism." "A must read." "Offers contemporary readers a moving testimony to the positive power of collective will and labor." "Bond gives a clear message of a people's pathway to environmental health, social peace and a poverty-free global society." "A work of considerable comparative value for assessing the interface between religion and politics and religion and economics in the developing world." From the Publisher Unique features: -The first substantive history of the Sarvodaya Movement since *Dharma and Development* by Joanna Macy - Up-to-date information stems from ten years of scholarly and personal research -Promotion of social action differs significantly from other constructions of Buddhism, such as Buddhist nationalism and Buddhist fundamentalism About the Author George D. Bond is a Professor of Religion at Northwestern University and specializes in Buddhist studies and the history of religion. His previous works include *The Buddhist Revival in Sri Lanka* and *The Word of the Buddha*. He has been the recipient of Northwestern University's Charles Deering McCormick Professorship of Teaching Excellence.
