Laurence-Khantipalo Mills : Buddhism Explained before purchasing it in order to gauge whether or not it would be worth my time, and all praised Buddhism Explained:

1 of 5 people found the following review helpful. What is Buddhism ?By Herve Buddhism in a simple form is followed in Thailand. This is what is described in this book, a seventh edition of it that is. Regarding Buddhism, simplicity is more often than not rather a quality than a shortcoming. And because Buddhism is contained in all Buddhism this Theravada tradition book opens one to all traditions.

An eminently readable, complete summary of all the essentials of Buddhist teaching and practice, *Buddhism Explained* is useful both for those wanting an understandable introduction to the subject and experts wishing a comprehensive but brief reference. It covers topics as diverse as meditation methods, the daily life of Buddhist monks, and the meaning of profound concepts such as Nirvana. The use of Thai, Pali, and Sanskrit terms has been kept to a minimum, with clear explanations of those included.

About the Author Laurence-Khantipalo Mills (formerly Phra Khantipalo) lives in North Queensland, where he has founded a non-sectarian Buddhist center, Bodhi Citta.
