Tara Branson : Buddhism for Beginners: From Traditional to Modern Buddhism before purchasing it in order to gage whether or not it would be worth my time, and all praised Buddhism for Beginners: From Traditional to Modern Buddhism:

1 of 1 people found the following review helpful. Great for yoga lovers!By CarolineThis book is a thorough overview of Buddhism. It is split into two parts, theory and practice, which I like. Learning more about the theory of Buddhism helps me understand how to practice it, if I choose. Tara Branson explains the principles in a clear, easy way.Since I

began practicing yoga daily, the practice of Buddhism interests me. Yoga lovers all over the world would benefit from this book.

Many valuable books have been written by Eastern and Western scholars, Buddhists or non-Buddhists, to present the life and teachings of those who are interested in Buddhism. Buddhism for beginners has never been explained so clearly; now you will easily understand everything that was unknown about Buddhism. Understanding Buddhist practices is not an easy thing to do, but now you have all the information in a single book, everything from traditional to modern Buddhism and theories. You have the opportunity to read not only theories, but valuable information that you can apply in the comfort of your own home. Youve probably heard about chakras, dj vu, reincarnation or yoga, but have you ever tried to go deeper in the words meaning? Have you ever wondered if its possible to heal you physical state of being by healing your chakra? Have you ever wondered why things happen in your life, why arent you lucky, why arent you rich, why youve got ill? Now you will find all the answers you were looking for. The book is split in two parts: theory and practice, so youll have the chance to practice at home yoga exercises or apply different meditation techniques, as all the information are in this book. Are you interested in your past life? Here you will find every step that you need to follow if you want to know more about yourself. This book is not about Buddhism for dummies, it is a book that will enlarge your horizons and will enrich your knowledge about this fabulous practice. Its aim is to contribute in a small degree to the understanding of the genuine teachings of the great Buddha.
