**James LaFond : By the Wine Dark Sea: A Sourcebook for Adventures Set in Ancient Hellas: 650 B.C.** before purchasing it in order to gage whether or not it would be worth my time, and all praised By the Wine Dark Sea: A Sourcebook for Adventures Set in Ancient Hellas: 650 B.C.:

By the Wine Dark Sea is a sourcebook of martial life and heroic themes set in Archaic Hellas in 650 B.C., intended to serve the needs of the novelist, roleplaying game moderator, screenwriter, or video game designer, in crafting an authentic adventure setting with realistic socially functional characters. The author is at his best in describing the uses of the various weapons and the poetic traditions of archaic Hellas. Includes: A gallery of period heroes Calendars 100 page name-building glossary 12 illustrations by Joseph Bellofatto
