**Proinsias Mac Cana : Celtic Mythology (Library of the World's Myths Legends) (English and Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Celtic Mythology (Library of the World's Myths Legends) (English and Spanish Edition):

This guide to Celtic mythology explores the Celtic world and its beliefs, describing Celtic archaeology and the insight it gives into the lives of these ancient peoples, whose civilization spread widely through the British Isles and beyond. The book is part of a series on myths and legends.
