BeltramiAs a reference book, this is totally un-suited to the Kindle format, as there are no navigation tools (imagine having to read a dictionary from page 1 to the end, without being able to navigate it). And I also found out that it is not possible to get refunds on Kindle purchases. So I just wasted 60 dollars :(0 of 0 people found the following review helpful. Good Reference BookBy CustomerI have always enjoyed Chase's Calendar of Events, and 2014 did not disappoint. It's a great resource to me.0 of 0 people found the following review helpful. Comprehensive.By SFCAMDExcellent, complete, full of information, but not as well cross-referenced as might have been possible. More place specific lists might be good.

As featured on The Today Show! 12,500 entries. 196 countries. 365 days. Find out what's going on any day of the

year, anywhere across the globe! If you're looking to tie a promotional event to a special month, create a suggested reading list based on a literary birth anniversary, travel to a music festival halfway around the world, blog about a historical milestone or do a celebrity birthday round-up on your radio show or Twitterfeed, Chase's Calendar of Events is the one resource that has it all.
