Elizabeth Kay : Chimayo Valley Traditions before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chimayo Valley Traditions:

0 of 0 people found the following review helpful. Excellent resource with great photographs and great historical facts. By frugalgirlA great book that sums up the history of the famous landmarks in and around the Chimayo area in New Mexico. We recently visited and were in awe of the rich visual religious history, but now with this great book by Elizabeth Kay I know more about what I experienced and the native people's history as well as the geographical connection of the area. I loved all the old pictures that are in this book that captivate the long history of pilgrimage and respect for this land. A great read and resource for our family library. Very happy to have purchased this book and delivery was super fast. Very happy with my purchase. If my purchase experience has helped you in anyway please click the "yes" button below. 1 of 1 people found the following review helpful. for the love of chimayo! By onelove butterfly awesome book. my aunt and grandma and i would make our yearly visits to chimayo. they have since moved away from santa fe, so i was happy to find this book on . i will be sending it to her for her birthday (my aunt). great photos and history and nice size. even ordered one for myself!

Ancient and contemporary Indian, Hispano, and Anglo traditions of pilgrimage, healing, and worship in the Chimayo Valley of northern N.M. Kay describes these beliefs and rites and traces their history. Folklore of Chimayo's famous healing shrine-El Santuario de Esquipulas, the nearby Medina chapel, the local Santo Nio de Atocha cult, associated traditional and current pilgrimages.

..".charming account of the area's traditions. If you haven't been to Chimayo, you'll want to go there when you've read this booklet." From the Back Cover Drawing of Wood Door and Cement wall.
