Paul Dong, Thomas E. Raffill : China's Super Psychics before purchasing it in order to gauge whether or not it would be worth my time, and all praised China's Super Psychics:

0 of 0 people found the following review helpful. Very good read By Customer Interesting to discover such information now. I'm wondering where it's progressed over the years and what other books I can get my hands on that correlate and are dealing in the present tense. This book has valuable information and opened the doors for more research. 0 of 0 people found the following review helpful. Five Stars By Rachel G. This book is astounding 0 of 1 people found the following review helpful. Excellent Book By Mr David So This is a great book and one that keeps you interested. Well

written and very engaging! If you want to find out whether people with psychic ability actually exist in China then this book is one you can't miss.

According to Paul Dong, the Chinese health discipline chi gong generates psychic abilities--which may explain China's numerous psychics and why, since 1982, the Chinese government has been studying and supporting the work of psychics for medical and military purposes. Dong is the author of *Chi Gong: The Ancient Chinese Way to Health*. 25 photos.
