Joseph Edkins : Chinese Buddhism before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Buddhism:

Chinese Buddhism - A Volume of Sketches, Historical, Descriptive and Critical is an unchanged, high-quality reprint of the original edition of 1893. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres.As a publisher we focus on the

preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hanserbooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.
