**Kenneth R. Himes : Christianity and the Political Order: Conflict, Cooptation, and Cooperation (Theology in Global Perspective) (Theology in Global Perspectives)** before purchasing it in order to gage whether or not it would

be worth my time, and all praised Christianity and the Political Order: Conflict, Cooptation, and Cooperation (Theology in Global Perspective) (Theology in Global Perspectives):

0 of 0 people found the following review helpful. Excellent. By Customer Ken Himes is a terrific scholar and this is an important book that is perfect for college courses in religion, politics and ethics.

This compelling and comprehensive book argues that politics and religion are matters too important to be left to politicians and religious leaders. Beyond electoral campaigns and government structures, the relationship between the political realm and Christianity has always involved the important questions of how we ought to live together, and how we should organize and govern our common life. As the author notes, politics and the political choices we make must be guided by considerations of national and global justice and peace and, for Christians, by the teachings of Jesus, as interpreted by tradition. Himes examines the relationship between Christianity and politics from the teachings of the Old and New Testaments through the patristic and medieval eras and the age of reform to the age of revolution, and throughout the twentieth century into the third millennium. He takes on questions of the role of the church in politics, responsible voting, concerns of globalization, and issues of human rights and war and peace. With discussion questions and suggestions for further reading, *Christianity and the Political Order* is a timely and compelling review of the relationship between Christian faith and the political realm both past and present in a classroom-friendly text.

A must-read and indispensable guide for those concerned with the bread-and-butter issues of church-and-state relations. --Peter C. Phan, Georgetown University  
The breadth of historical development, the depth of theological and ethical analysis, and the clarity of thought and expression by Kenneth Himes make [this] an excellent textbook. --Charles Curran, Southern Methodist University  
About the Author  
Kenneth R. Himes, OFM, is associate professor of Christian ethics at Boston College. A former president of the Catholic Theological Society of America and a specialist in the history of Catholic social teaching and the relationship of religion and politics, he has served as a theological consultant for the Office of Social Development and World Peace at the U.S. Conference of Catholic Bishops. His many publications include *Modern Catholic Social Teaching: Commentaries and Interpretations* (Georgetown, 2005).
