**Raphael Israeli : Christianophobia: The Persecution of Christians under Islam** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Christianophobia: The Persecution of Christians under Islam:

In the present upheaval in the Islamic world, as chaos, war, and vengeance are overtaking order, security, and civil rights, Muslim radicals have been venting their frustrations among their minorities, most of whom are Christian: from

ancient Chaldeans in Iraq to Orthodox denominations in Turkey; from Catholics in Indonesia and Malaysia to remote and isolated Christian communities in Afghanistan and Pakistan. Related to this vast and escalating phenomenon has been the violent activity of some within the Muslim minorities in the West, who have migrated there in the past few decades and now seek revenge against their former colonial masters. This is taking place in the context of fast-increasing numbers of Muslims in the West, the result both of high birthrates and of escalating legal and illegal immigration from Islamic lands.
