Gripping story, well toldBy ericAuthor Madeleine Masson's book, first published in 1975, pulses not only with the story of Christine Granville's harrowing experience as a British spy, but with Masson's own experience in tracking down the evidence that tells the story of Christine's life and eventual

death. The writing is tight and descriptive. I haven't yet read the "new" Christine book, but this one is fascinating.3 of 3 people found the following review helpful. Truth is always stranger than fictionBy kiwitechThere are always people who rise up to help in times of war, putting their lives on the line. This lady was no exception. It is a shame that the history books never profile the many that gave so much to ensure our freedom. The book arrived in excellent condition, with great packaging and with in a promised time frame. I will purchase here again.2 of 2 people found the following review helpful. CourageBy huxtinsGreat service.A wartime tale which seems unbelievable till you realise this is an actual true story of someone's life under extreme conditions.Fascinating and inspiring!

Christine Granville, G.M., O.B.E. and Croix de Guerre, one of the most successful women agents of the Second World War and said to have been Churchill's 'favourite spy', was murdered, aged 37, in a London Hotel in 1952. Her actions as a British secret agent in Poland, Hungary and France were legendary even in her lifetime and she repeatedly risked her life to undertake dangerous missions. Her exploits began after the fall of Poland when she became a British agent; organising the escape of British prisoners-of-war, Polish pilots and refugees and returning to Poland, her homeland, to set up escape routes and report on German troop movements. Her capture by the Gestapo led to a dramatic escape from Budapest in the boot of a car followed by travels through Turkey and Syria to Cairo. Christine is an inspiring and unforgettable true story.

An exciting story. . . Christine was cool, fascinating, graceful, secretive, alternating a vivid warmth with remoteness, a lover of freedom and a law unto herselfDAILY TELEGRAPHThis biography, stark, earthy, uplifting and bloodstained, deserves to be read even by those who are tired of war books. In Christine, Dostoyevsky, I suspect, would have found a heroine to his tasteSUNDAY TELEGRAPHGripping.MAIL ON SUNDAYAbout the AuthorMadeleine Masson was born in Johannesburg and is one of South Africa's most distinguished writers.
