Geary, and O'Brien Kishlansky : Civilization in the West, HIS 102 before purchasing it in order to gage whether or not it would be worth my time, and all praised Civilization in the West, HIS 102:

0 of 0 people found the following review helpful. Great shipperBy John CenfieldThe book itself sucks...its for school so I would've been mistaken if I expected more. The bookstore I ordered from was great.

This book was purchased in new condition direct from college bookstore. The book was used by one student for one semester and is in LIKE NEW condition. Has no markups on pages and cover is in great condition!
