**Robert R. Edgar, Neil J. Hackett, George F. Jewsbury, Barbara A. Molony, Matthew S Gordon : Civilizations Past Present, Volume 1 (to 1650) (12th Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civilizations Past Present, Volume 1 (to 1650) (12th Edition):

0 of 0 people found the following review helpful. Great book By Eric McMillin The text is very in-depth but simple, making for a great learning tool. It goes into all the history and culture of ancient civilizations while also intelligently making comparisons to our own modern times. Because of this, everything easily and clearly still seems relevant to me. I would recommend this book for anyone taking WOH 1012.1 of 1 people found the following review helpful. Easy and educational By DJWI rented this for my history class. First things first- is great with rentals; I got it, read it, and returned it. .simple and easy. The volume was perfect for my Asia History class, and i learned a lot from it. 0 of 0 people found the following review helpful. Five Stars By Customer Got the book on time and i am satisfied with my purchase.

Civilizations Past and Present, written by specialists in Islamic, African, Asian, Ancient, and East European history offers a clear and accessible analysis of diverse trends shaping world history. Civilizations Past and Present, now in its Twelfth Edition, is a survey text well known in the marketplace for its readability, offering a strong narrative exploration of world history that examines details at levels appropriate for both students and instructors. The book is enriched by photographs, maps, primary source documents, timelines, and other pedagogical aids. It places great emphasis on the connections between the world's many cultures and regions. The book uses intriguing avenues of historical interpretation and examines all of the major areas of historical study: social, political, economic, religious, cultural, and geographic.

From the Back Cover Civilizations Past Present Twelfth Edition, Volume II (from 1300) Robert R. Edgar, et al. An exceptional text. Clear and engaging writing with sound and current scholarship. Gary Gibbs, Roanoke College This is the best book in the field and I recommend it without hesitation. The authors are well qualified, they can write, and they have done their homework. William McDonald, Mid-American Christian University Written by specialists in Islamic, African, Asian, East European, and ancient history, Civilizations Past Present offers a clear and accessible analysis of diverse trends shaping world history. Now in its Twelfth Edition, this survey text is well known for its readability, with a strong narrative that examines details at levels appropriate for both students and instructors. Offering strong regional coverage in addition to highlighting the connections between the world's many cultures and regions, the book explores all of the major areas of historical study: social, political, economic, religious, cultural, and geographic. New to this Edition New co-author Matthew Gordon, a scholar in Middle Eastern history at the Miami University of Ohio, adds new perspectives to the text's coverage of the Islamic world. Seeing Connections features in each chapter visually illustrate the diverse linkages between the world's civilizations, religions, ideologies, arts, and social movements. A new chapter on Latin America, 1910 to present (Chapter Thirty-four), examines Latin America from World War I through the turn of the twenty-first century, including the influence of the United States, the region's role as a Cold War battlefield, and recent economic and political developments sweeping its nations. A new closing chapter on the world in the twenty-first century (Chapter Thirty-six), examines key trends shaping the world in the new millennium, including economics, technology, migration, and culture. Additional content has been added throughout the book on the Middle East, Africa, Latin America, and Oceania.
