It was cheaper than chegg and other websites to rent so i was happy.0 of 0 people found the following review helpful. Great BookBy CustomerIt is a fantastically written book with good detail in the printing of the pictures and definitions for the ancient language.0 of 0 people found the following review helpful. Rent instead of purchaseBy Emmalt works. The book I received is a bit worn out but the chapters and texts are clearly legible and work for me.

Civilizations Past and Present , written by specialists in Islamic, African, Asian, Ancient, and East European history offers a clear and accessible analysis of diverse trends shaping world history. Civilizations Past and Present, now in its

Twelfth Edition, is a survey text well known in the marketplace for its readability, offering a strong narrative exploration of world history that examines details at levels appropriate for both students and instructors. The book's narrative is enriched by photographs, maps, primary source documents, timelines, and other pedagogical aids. It places great emphasis on the connections between the world's many cultures and regions. The book uses intriguing avenues of historical interpretation and examines all of the major areas of historical study: social, political, economic, religious, cultural, and geographic.

From the Back Cover *Civilizations Past Present Twelfth Edition, Volume I (to 1650)* Robert R. Edgar, et al. An exceptional text. Clear and engaging writing with sound and current scholarship. Gary Gibbs, Roanoke College This is the best book in the field and I recommend it without hesitation. The authors are well qualified, they can write, and they have done their homework. William McDonald, Mid-American Christian University Written by specialists in Islamic, African, Asian, East European, and ancient history, *Civilizations Past Present* offers a clear and accessible analysis of diverse trends shaping world history. Now in its Twelfth Edition, this survey text is well known for its readability, with a strong narrative that examines details at levels appropriate for both students and instructors. Offering strong regional coverage in addition to highlighting the connections between the world's many cultures and regions, the book explores all of the major areas of historical study: social, political, economic, religious, cultural, and geographic. New to this Edition New co-author, Matthew Gordon, a scholar in Middle Eastern history at the Miami University of Ohio, adds new perspectives to the text's coverage of the Islamic world. *Seeing Connections* features in each chapter visually illustrate the diverse linkages between the world's civilizations, religions, ideologies, arts, and social movements. Additional content has been added throughout the book on the Middle East, Africa, Latin America, and Oceania.
