I was able to pass the book on to another who will be able to share it with others. Three

cheers for Julianna!0 of 0 people found the following review helpful. Five StarsBy Rev. J. Very practical and loving approach

To be human means to resist dehumanization. In the darkest periods of human history, men and women have risen up and in many different voices said this one thing: Do not treat me like this. Treat me like the human being that I am. *Claiming Her Dignity* explores a number of stories from the Old Testament in which women in a variety of creative ways resist the violence of war, rape, heterarchy, and poverty. Amid the life-denying circumstances that seek to attack, violate, and destroy the bodies and psyches of women, men, and children, the women featured in this book absolutely refuse to succumb to the explicit, and at times subtle but no less harmful, manifestations of violence that they face.

"*Claiming Her Dignity* introduces us to fourteen biblical women who bravely responded to the violent evils of war, rape, systemic injustice, and poverty in seemingly small but effective and creative acts of nonviolent resistance and in the process retained their dignity and agency as full human beings. Claassens brilliantly demonstrates how the complex, realistic, and hopeful accounts of these ancient biblical women continue to reverberate in the stories of women and other marginalized people in our world today. Highly recommended!"
