Sharpe)):

The World of Mythology series introduces the myths of the world's greatest civilizations. The Classical world of ancient Greece and Rome has had an immeasurable impact on Western culture, but what inspired some of the greatest writers, philosophers, and architects of all time? Gods were not only worshipped, but consulted for both minor problems and victory in battle. The legends of mortals Heracles and Perseus were wrapped up in the lives of the immortals. Art and artifacts, as well as photographs of the landscapes immortalized in the tales, bring the world of

Classical myth to life.
