About the Site's Myths, Legends and its Gods ("Put it in Your Pocket" Series of Booklets):

Jill Dudley writes about the clash of St. Paul's concept of love with the sexual pleasures which the pagans enjoyed at the great temple of Aphrodite on Acrocorinth. She describes how the Apostle spent his time at nearby Old Corinth observing, preaching and converting, and why he wrote his Letters to the Corinthians. It is as it says on the back cover of the booklet: All you need to know about the sacred site, its myths, legends and its gods.
