Stacy Mitch : Courageous Women: A Study on the Heroines of Biblical History before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Courageous Women: A Study on the Heroines of Biblical History*:

1 of 1 people found the following review helpful. Sound scripture study By CeCeA sound scriptural study of the women God placed in his plan of salvation history. I would ignore the only bad review (so far). I believe she may have read a couple of pages only when she wrote the review - the author speaks in only 1 paragraph about orphans in

Russia. The book is mostly scripture based and not much on the authors personal stories. She seemed upset because it took her so long to get it. I received mine in 3 days (not prime). 2 of 2 people found the following review helpful. Easy to read but time consuming because referral back to ...By CustomerEasy to read but time consuming because referral back to read sites of the bible. Learned much I did not know never thought about how many special women are addressed in the Bible even though few compared to men. Used with a book club from my church. Would highly recommend it. 2 of 2 people found the following review helpful. action provokingBy Faith Formation DirectorI read this book hoping to learn more about the lives of women in the Bible, but this study drew me much deeper. I have begun to personally relate to those ancient woman and see how their struggles and virtues are lessons very applicable to my life. Our group had some great discussions as the questions challenged us to go beyond reading and take action. I'm so glad we did this study.

Courageous Women: A Study on the Heroines of Biblical History is another volume in Stacy Mitch's popular Courageous series of Bible studies for women. An example is worth a thousand words. Using the stories of Sarah, Esther, Judith, the Blessed Mother, and other heroines of Scripture, Stacy Mitch helps her readers see how they can follow these examples in their daily lives. Divided into nine sections, this book is ideal for individual or group study.
