James J. Preston : Cult of the Goddess: Social and Religious Change in a Hindu Temple before purchasing it in order to gage whether or not it would be worth my time, and all praised Cult of the Goddess: Social and Religious Change in a Hindu Temple:

5 of 10 people found the following review helpful. Not a bad synopsis of Hinduism, but.....By A CustomerPreston

lacks the influence to be objective when it comes to Chandi Temple. His use of the theories of darshan and ahtman-brahman lack the theoretical context the subject deserves. More emphasise on the symbolice ritual is desired. He does not go into the theories of how the group. expresses itself i.e. vocal/intellectual, symbolic expression/rituual, and social structural/praxise2 of 5 people found the following review helpful. Did any part of a tree have to die so that this rubbish could be printed?By S RaffPreston you pompous turd. I can't believe you force your students to buy your thesis. Isn't simply having you lecture torture enough? Sadistic bastard. To those reading this review...sorry if you don't like it, but the book was really a snoozefest.

Bringing alive the practice of Hinduism in the fabric of Indian life! This compact volume provides an opportunity for readers to have a glimpse into the inner workings of one of the great world religions, to explore the meaning of religion in the lives of the people of India, and to discover how goddess worship continues to thrive in the modern world. It reveals also the value of the anthropological approach for the comparative study of religion.
