T. Kubal : Cultural Movements and Collective Memory: Christopher Columbus and the Rewriting of the National Origin Myth before purchasing it in order to gage whether or not it would be worth my time, and all praised Cultural Movements and Collective Memory: Christopher Columbus and the Rewriting of the National Origin

Myth:

This book uses political process theory to examine three cultural movements around Christopher Columbus. The author examines the religious, ethnic and anti-colonial movements most successful at rewriting national origin myth, demonstrating the political process model while telling the story of how a powerless public mobilized to rewrite its past.

"This book presents an ideological interpretation of the role of 'powerless' individuals in shaping collective memory in the face of hegemonic institutions. Well footnoted, referenced, and supported by tables and figures." - B. Osborne, Choice
"Social movement and American history scholars will learn something from this book." - Randolph Hohle, D'Youville College
"systematic, thorough, well-researched, and well organized...both intriguing and instructive." - Jennifer A. Jordan, Contemporary Sociology: A Journal of s
"Kubal's study provides an interesting and insightful exploration of how different types of groups relate to the national origin myth of Christopher Columbus...it presents a thought provoking account of what is really just a story; a tale of how American society has adjusted and adapted a narrative of what many still consider its originating event." - Timothy B. Gongaware, Sociological Spectrum
About the Author
TIMOTHY KUBAL is Assistant Professor of Sociology, California State University at Fresno, USA.
