**Srisa Chandra Vasu : Daily Practices of the Hindus, Revised Edition with Illustrations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Daily Practices of the Hindus, Revised Edition with Illustrations:

Rai bahadur srisa chandra vasus daily practice of the hindus describes in deail all the vedic rites connected with the morning and mideday duties the sanskrit text, its translation provide the assistance for the understanding of the vedic mantras the chapters on tantric and universal sandhya liberates the use of this book from its sectarian confinement in this book both the vaidiki and tantriki sandhyas are given all twice-born persons are entitled to the first; while the tantriki is meant for all mankind, without distinction of caste, race or creed it is an excellent hand-book a chapter on the sandhya of the rig-vedins as well as one on the tantriki sandhya is added
