Diana Eck : Darsan: Seeing the Divine Image in India before purchasing it in order to gage whether or not it would be worth my time, and all praised Darsan: Seeing the Divine Image in India:

0 of 0 people found the following review helpful. Excellent read and very educationalBy herndonchicExcellent read and very educational. I wanted to read it again as soon as I had finished it, tonreally let the information settle in. This is a doorway into the Hindu world, and I truly enjoyed the journey.4 of 4 people found the following review helpful. A New PerspectiveBy Ariz_MountaineerI used this book in my Religions of India class at West Virginia University and it was a WONDERFUL learning tool. Diana Eck addresses Hinduism from a perspective that most westerners have

never considered. There is a lot of information in this book that helps to describe both the concepts of Hindu worship and some of its history. I definitely recommend this if you are interested in world religions or the varieties of religious experience. 3 of 3 people found the following review helpful. Explains darshanBy skittlesThis is the third edition of a very good book by a scholar of Indian art. It explains the idea of darshan--that the devotee not only sees the sacred image, but that the deity sees them. Well written.

The role of the visual is essential to Hindu tradition and culture, but many attempts to understand India's divine images have been laden with misperceptions. Darsan, a Sanskrit word that means "seeing," is an aid to our vision, a book of ideas to help us read, think, and look at Hindu images with appreciation and imagination.

An explanation of temple worship and the use of Deity images. Darsan will give the Hindu deeper insight into the practices of his own religion, provide explanations for non-Hindu friends, and convey useful knowledge to his children. (Hinduism Today)From the Back CoverThe role of the visual image is essential to Hindu tradition and culture, but many attempts to understand India's divine images have been laden with misperceptions. Darsan, a Sanskrit word that means "seeing", is an aid to our vision, a book of ideas to help us read, think, and look at Hindu images with appreciation and imagination.About the AuthorDiana L. Eck, professor of comparative religion and Indian studies, and director of The Pluralism Project at Harvard University, is the editor of On Common Ground: World Religions in America, a multimedia CD-ROM (Columbia).
