Chris Mitchell : Dateline Jerusalem: An Eyewitness Account of Prophecies Unfolding in the Middle East before purchasing it in order to gage whether or not it would be worth my time, and all praised Dateline Jerusalem: An Eyewitness Account of Prophecies Unfolding in the Middle East:

Middle East as well as personal interviews with many of the people involved. His narratives are very informative and he has the ability to hold the readers' attention. If you have questions about why the countries in this region of the world have so much animosity toward Israel, this book will make it clear. Another exciting aspect of *Dateline Jerusalem* is the evidence the author provides of what God is currently doing in and around this very important area of the world. If you need encouragement to believe that God is in control of world events, this book is a good one to read, and I recommend it to anyone who is searching for understanding. 0 of 0 people found the following review helpful. *Dateline Jerusalem - Excellent!* By Cindy McCarver *Dateline Jerusalem* gives a clear and excellent overview of the importance of Jerusalem and the Jewish people in our world today. From the "Arab Spring" to evidence of the fulfillment of biblical prophecy, *Dateline Jerusalem* brings the reader into an understanding of God's purposes for the entire world. The author has presented the material in an accurate, orderly but also personal fashion. If anyone wants to understand God's agenda for this generation, I highly recommend this book, *Dateline Jerusalem*. 0 of 0 people found the following review helpful. *Outstanding* By Richard OI found this book to be the most informative book on world events and the movement of God among the world. We hear of the worst from the media but the massive conversion taking place in this same part of the world. The author paints a clear picture of what's going on behind the scenes and brings hope to the reader that God and God alone is in control look up folks for your redemption draws nigh so come Lord Jesus.

History's final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In *Dateline Jerusalem*, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: The Arab Spring doesn't lead to democracy, it leads to Jerusalem. Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. *Dateline Jerusalem* untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today's news might focus on Washington, New York, London, or Moscow, but history's final chapter will be written in Jerusalem. Chris Mitchell's firsthand experiences and reporting uniquely qualify him to expound on and explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureau chief for CBN News since August 2000.
