Ben Klassen : Nature's Eternal Religion before purchasing it in order to gage whether or not it would be worth my time, and all praised Nature's Eternal Religion:

4 of 6 people found the following review helpful. This copy arrived very fast and cover looks nice but there are NO page numbersBy Winston SmithI have read NER before and I bought this to replace a copy I already had because it was ripped up and falling apart. This copy arrived very fast and cover looks nice but there are NO page numbers,the font is very small and at times a page starts with the text in the middle of the page...which is very weird....Wish I had

bought from a reliable source....which I THOUGHT I was doing. 1 of 2 people found the following review helpful.
Five Stars
By Customer
Very informative book

By Eddie
Mr Klassen has "created" a new racial White religion that actually imitates Judaism. Like Judaism he asks "Creators" to have a restricted diet, vegetarian as opposed to kosher. A revival of Latin which he wants all Whites to speak as opposed to Hebrew revived by Jews. A list of commandments (16) as opposed to the Biblical 10 and foremost "Racial Loyalty" which in the past Jews practiced and today seemingly only by Orthodox Jews. I heard imitation is the sincerest form of flattery. Ben Klassen has taken it to the extreme that makes it a fascinating read !
Rahowa as opposed to halleluyah !!

Based on the eternal laws of nature, history, logic, and common sense the White people of the world now have a religious program of their own!

About the Author
About the Author : BEN KLASSEN P.M. (1918-1993) Founder and original Pontifex Maximus of Creativity. Ben Klassen P.M. has been a resident of four countries and a citizen of three. Born in 1918 of German-speaking parents in Russia, he and his family were early victims of Jewish Communism, from which they fled in 1924. He was brought up and educated in Canada, where he earned a degree in Electrical Engineering and also a Bachelor of Arts. He has been a farmer, a school teacher, a hard rock nickel miner, an electrical engineer, an inventor, a realtor, and a Florida State Legislator. Having moved to the United States in 1945, he became a U.S. citizen in 1948. His intense interest in the Laws of Nature, Race and Religion polarized into a new religion for the White Race, a task his wide and diverse background seemingly prepared him for over a lifetime.
