Peter Evans : Nemesis: The True Story of Aristotle Onassis, Jackie O, and the Love Triangle That Brought Down the Kennedys before purchasing it in order to gage whether or not it would be worth my time, and all praised Nemesis: The True Story of Aristotle Onassis, Jackie O, and the Love Triangle That Brought Down the Kennedys:

7 of 7 people found the following review helpful. Camelot exposed as a public relations ployBy CnedzelaFor the kind of book that it is, it deserves a very high rating. It is astonishingly well researched and exposes the disturbing truth behind the glorious myth of the Kennedys. The story of Jacqueline's greed and the ruthlessness of her marriage to Onassis is fascinating. Onassis himself, who is the principal character under scrutiny, emerges as a highly complex genius at business and a psychopath. The book is very well written and engrossing.8 of 8 people found the following review helpful. The most amazing book I've ever read!!!By Louise D. SomeThis non-fiction account is truly, truly astonishing!! With each passing page, my mouth was dropping further to the floor!I had no idea that these people were all such immoral people!!!This is really a must read for anyone interested in the Kennedy or Onassis families4 of 4 people found the following review helpful. I am almost embarrassed that I consumed this pulp narrative it with such ...By Nancy C WilsonI am almost embarrassed that I consumed this pulp narrative with such enthusiastic alacrity! It was full of nasty innuendo and 'facts' taken from dubious sources--because the real life characters were such fascinating personages, it was quite depressing to find that everyone was involved in some kind of shady subterfuge --- Base instincts indeed! If you want to be rid of any illusions about Camelot--this is the book for you!

A longtime investigative journalist uncovers one of the great untold stories of twentieth-century international intrigue, and the secrets it has held until now. Shipping tycoon Aristotle Onassis and Bobby Kennedy, two of the worlds richest and most powerful men, disliked one another from the moment they first met. Over several decades, their intense mutual hatred only grew, as did their desire to compete for the affections of Jackie, the keeper of the Camelot flame. Now, this shocking work by seasoned investigative journalist Peter Evans reveals the culmination of the Kennedy-Onassis-Kennedy love triangle: Onassis was at the heart of the plot to kill Bobby Kennedy. Nemesis meticulously traces Onassiss trail - his connections, the way that he financed the assassination - and includes a confession kept secret for three decades. With its deeply nuanced portraits of the major figures and events that shaped an era, Nemesis is a work that will not soon be forgotten.

About the AuthorPeter Evans, an award-winning former journalist and foreign correspondent, is the author of ten books, including Ari, Goodbye Baby and Amen, and the bestselling novel The Englishman's Daughter. He lives in London with his wife.
