He is just getting into football since visiting the Denver Broncos Stadium last year in Colorado on a family vacation. He will no doubt know more about the record setting games and players than most kids his age as he is always studying this book. He has joined and will be playing for a flag football league this year and is the running back, wide receiver for his team. Last year he was in a different flag football league with a lot of boys older than he, yet he managed to score two touchdowns for his team in only six games.1 of 1 people found the following review helpful.
