J. A. Christensen : Nichiren: Leader of Buddhist Reformation in Japan before purchasing it in order to gage whether or not it would be worth my time, and all praised Nichiren: Leader of Buddhist Reformation in Japan:

0 of 0 people found the following review helpful. I liked it By P. Lieber:-)0 of 0 people found the following review helpful. Five Stars By estalynn Kinz Simply brilliant!4 of 11 people found the following review helpful. Nichiren: Diary of a Madman By Thomas De Mann This was an excellent book historically but what I learned was very sad.

Adorn The Lotus Sutra or you are wrong and bad things will happen. I have been studying Buddhism for 9 years and this statement is atrocious. The Buddha taught that there are 84,000 paths to liberation not only one. Nichiren's way was to "Do It My Way or No Way at All". I don't understand the mentality of the followers of Nam Myoho Renge Kyo. Perhaps we are all doomed to the Realms of Hell. Tom Las Vegas, NV

Nichiren Shonin was born in a turbulent time in Japanese history. Born as a fisherman's son in a small village, Nichiren was thrust into a world of deceit and treachery. He would be the object of the government's displeasure because of his calls for reform in Japanese society and a return to the truth of the Buddhist Dharma. Here is a chronicle of this important figure of Japanese Buddhism which tells of his conflicts with the rulers of his time and of his teachings. Nichiren was a Buddhist reformer, who saw the Lotus Sutra as the cornerstone of the Dharma. His life and teachings continue to serve as an inspiration and guide for people's lives today.
