**Marek Payerhin : Nordic, Central, and Southeastern Europe 2016-2017 (World Today (Stryker))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nordic, Central, and Southeastern Europe 2016-2017 (World Today (Stryker)):

This is an annually updated presentation of each sovereign country in Nordic, Central and Southeastern Europe, past and present. It is organized by individual chapters for each country and presents a complete and authoritative overview of each regions geography, people, history, political system, constitution, parliament, parties, political leaders, and elections. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government

officials, potential investors and students. Now in its 16th edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.
