Larry Collins, Dominique Lapierre : O Jerusalem! before purchasing it in order to gage whether or not it would be worth my time, and all praised O Jerusalem!:

0 of 0 people found the following review helpful. Very well research book on the struggle for statehood by ...By Customer Very well research book on the struggle for statehood by the people condemned to roam the world as part of their biblical destiny. Real people are put on the magnificent historical vista covering a generation entrusted with the almost impossible task. As a writer commented, this is how history has to be written. 0 of 0 people found the following

review helpful. Better than I expectedBy PatteExcellent! Brings the events and people to life in a way that makes the reader actually FEEL something. Not just a dry history book or recitation of simple facts. Very good and I recommend it to anyone who is interested in the history and current status of Israel.0 of 0 people found the following review helpful. O JerusalemBy Tom CurrieCovers an intense period in recent history and one cannot help but be humbled in the face the suffering, courage and faith that these people experienced. Well written, gripping story - this is a re read for me, think I first read the book in the 1980s and recent events in that troubled part of the world reminded me of the book and kindled an interest in reading it again, especially after numerous work related trips to the country in recent years.Delivery good, condition of product good

Now a major motion picture, this remarkable classic recounts, moment by moment, the spellbinding process that gave birth to the state of Israel.Collins and Lapierre weave a brilliant tapestry of shattered hopes, fierce pride, and breathtaking valor as the Arabs, Jews, and British collide in their fight for control of Jerusalem. O Jerusalem! meticulously re-creates this historic struggle. Collins and Lapierre penetrate the battle from the inside, exploring each party's interests, intentions, and concessions as the city of all of their dreams teeters on the brink of destruction. From the Jewish fighters and their heroic commanders to the charismatic Arab chieftain whose death in battle doomed his cause but inspired a generation of Palestinians, O Jerusalem! tells the three-dimensional story of this high-stakes, emotional conflict. Now with a new introduction by Dominique Lapierre, O Jerusalem! remains, as ever, a towering testament to the fiery dawn of Israel and an unforgettable tale of faith and violence, of betrayal and indomitable courage.

"A monumental work!" -- "Cleveland Press""Moving, fascinating, informative.... No other book on this subject...comes close to O Jerusalem!" -- "Los Angeles Times""It reads like a whodunit, and you turn page after page to see what happens next....The pace is so swift, the drama so heightened by alternating flashes of tragedy and comedy that one has to stop frequently to catch one's breath and marvel." -- "The New York Times Book ""A remarkable book...a history that not only clarifies the military and political events of the war but brings its human dimensions vividly to life." -- "The National Observer""A story as dramatic, as miraculous, as full of wonders as any ever told." -- "The New York Times Book "From the Back CoverHere is the classic retelling of the spellbinding events of the birth of Israel.About the AuthorLarry Collins is the author of Fall from Grace, The Road to Armageddon, and coauthor, with Dominique Lapierre, of the bestselling Is Paris Burning?, Or I'll Dress You in Mourning, Freedom at Midnight, The Fifth Horseman, and Is New York Burning?, books read by millions of people in more than thirty languages.
