Athina (Queen's Gate School Mitropoulos : OCR Classical Civilisation a Level Components 31 and 34 before purchasing it in order to gauge whether or not it would be worth my time, and all praised OCR Classical Civilisation a Level Components 31 and 34:

This textbook supports OCR's A-Level Classical Civilisation and is written for students taking Components 31 and 34 from the 'Beliefs and Ideas' Component Group. The ideal preparation for the final examinations, this book covers the two options Greek Religion and Democracy and the Athenians. Experts and experienced teachers present all the necessary content in a clear and accessible narrative. Helpful student features include study questions, further reading, and boxes focusing in on key people, events and terms.
