In 2017, Old Moore's Almanack will be 321 years old and deserves its world record-beating inclusion in the Guinness Book of Records. With accurate predictions - including the 2001 terrorist attacks - everyone agrees that Old Moore is the No. 1 Seer, with the best prediction record. Accurate, fascinating and appropriate, Old Moore's Almanack plots the

future of the world's ups and downs for the year ahead. It puts the spotlight on UK world affairs and also highlights: gardening and fishing by the moon, winning periods for jockeys and trainers, celebrity astro-profiles, lighting-up times, plus high and low water times. A year full of interest.
