Theodore Roosevelt : Oliver Cromwell before purchasing it in order to gage whether or not it would be worth my time, and all praised Oliver Cromwell:

2 of 3 people found the following review helpful. Oliver Cromwell [Illustrated]By richard bridburg What a wonderful surprise this book that I happened upon was! Roosevelt takes us into seventeenth century England. He describes the state of political and religious affairs there and constantly makes things understandable by making comparisons to American history. He views Cromwell from every aspect and what he has to contend with. Struggles around early

democratic thinking and religious liberty, what to do with a weak duplicitous King, how to deal with extremists, the vast majority wishing liberty for their own religion only. He describes his great generalship as well as his massive cruelty especially in Ireland. He looks at a people conditioned to obeying an absolute monarchy for centuries and in the end he becomes Lord Protector with absolute powers but he also lays the foundation for a democratic parliament and for real religious liberty which was brought to fruition much later. 0 of 0 people found the following review helpful. This is a Script for a Play. By artistwelder It is a play, it is short and a quick read. I was expecting a book, but who can complain when it is free. Not a whole lot of information, but a little insightful. 0 of 0 people found the following review helpful. Difficult read By John M. Smith Did not finish reading due to the complexity of the writing.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

About the Author In addition to his political accomplishments, Theodore Roosevelt (1858-1919), the twenty-sixth president of the United States, is known for his achievements as a naturalist, explorer, hunter, soldier, and author.
