Edward Francis Morearty : Omaha Memories: Recollections of Events, Men and Affairs in Omaha, Nebraska, From 1879 to 1917 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Omaha Memories: Recollections of Events, Men and Affairs in Omaha, Nebraska, From 1879 to 1917 (Classic Reprint):

0 of 0 people found the following review helpful. A good history of the city up to about 1917By Patrick ThompsonA good history of the city up to about 1917; includes in some areas of downtown a block by block description of what building was here/who lived where. Valuable for historians seeking that kind of information..0 of 0 people found the following review helpful. Useful for historyBy P. WalesI ordered this book to flesh out the genealogy of my Grandparents' early lives in Omaha. The stories in the book were very helpful in setting the stage and explaining events in the period 1860 to the early 1900s, and therefore very helpful to me in my attempt to understand the environment my Great-Grandfather and family lived in.

Excerpt from Omaha Memories: Recollections of Events, Men and Affairs in Omaha, Nebraska, From 1879 to 1917Because it is in the geographical center of the United States, through which passes the channels of commerce from the rock bound coast of Maine to the Golden Gate of California, and from the snow-capped mountains of Canada to the pleasant glades of Florida; because it has the most even and healthful climate of any spot in the United States; because it is the second primary live stock market of the world; because it is the fourth primary grain market of the world; because its jobbing trade in 1916 was because its factory output for 1916 was because it is the greatest creamery producing city in the world.Because in 1999 it will have a population of people; because it is the greatest lead ore reducing city in the world; because it is the second primary corn market in the world; because it is the greatest sheep feeding market in the world.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
