USA - Ignore the evils of Islam at your peril
By Bill Wade
I have read all of Robert Spencer's books and they are all right on as to documented facts. He is on the hit list of most major Islamic organizations because they know he speaks the truth and his facts and sources are on record. I didn't have a clue as to the dangers to the civilized world of Islam until 9/11. After 9/11 I did extensive research on all aspects of Islam and what I found greatly concerned and scared me. Just recently in Rome, Ga., a small town north of Atlanta, the authorities uncovered an Islamic terrorist cell in a mosque in Rome. A friend and I tried to get permission to attend a mosque in North Atlanta to find out what is being preached by the Imams, but were told we could go on a sanctioned tour but not attend a service. I fear that most of the USA mosques are condoning terrorism against the infidels. Otherwise why won't they let us attend their services? And why don't you hear from "moderate Muslims" about the evils of terrorism? You can attend any other religious service in the US without any restrictions?

What an excellent book this is. Another well written and researched book by Robert Spencer.

In "Onward Muslim Soldiers," the author of "Islam Unveiled" reveals why the threat of violent jihad is growing daily, despite America's recent victory in Iraq. Spencer uncovers the cause of global violence as he goes straight to Muslim sources

A groundbreaking and thoroughly researched work that courageously exposes the greatest danger to civilized existence in the twenty-first century -- Habib C. Malik
Brilliantly argued and meticulously documented,... contains a devastating exposé of the murderous deceit behind contemporary apologists for militant Islam. -- Steven Emerson
Spencer takes the reader into the world of Islamic fundamentalism to show not only how the world views it, but -- Walid Phares
Written with brilliant intellectual honesty, this book is an indispensable companion for reference, understanding, and knowledge of a crucial subject -- Bat Ye'or
