Academic not polemic, dry informationBy Andy HatfieldI heard David Barton speak and was hooked, I wish he was my History teacher. The book was a bit more dry and redundant than I was looking for, but I gave it to a friend who ate it up. The information was interesting and deep, and he held to the topic. It was not polemic, just academic.0 of 0 people found the following review helpful. Patriotism at its best!By B. CollinsThis book is a wonderful book on patriotism and the American establishment.

Original Intent combines hundreds of quotes from primary sources with the author's exposition on hot topics such as revisionism, judicial activism, and separation of church and state. A substantial appendix encompasses full texts of the founding documents, biographical sketches of numerous Founders, and extensive reference notes.
