J. Muir : Original Sanskrit Texts, Vol. 2: On the Origin and History of the People of India, Their Religion and Institutions, Collected, Translated, and Illustrated (Classic Reprint) before purchasing it in order to gage whether

or not it would be worth my time, and all praised Original Sanskrit Texts, Vol. 2: On the Origin and History of the People of India, Their Religion and Institutions, Collected, Translated, and Illustrated (Classic Reprint):

Excerpt from Original Sanskrit Texts, Vol. 2: On the Origin and History of the People of India, Their Religion and Institutions, Collected, Translated, and Illustrated My primary object in this volume, as in its predecessor, has been to produce a work which may assist the researches of those Hindus who desire to investigate critically the origin and history of their nation, and of their national literature, religion, and institutions; and may facilitate the operations of those European teachers whose business it is to communicate to the Hindus the results of modern enquiry on the various subjects here examined. The book (as will at once be apparent to the Oriental scholar) is, for the most part, either a compilation, or, at least, founded on the labours of others; but while my principal aim has been to furnish the reader with a summary of the results of preceding enquiries, my plan has, at the same time, rendered it necessary for me occasionally to institute fresh researches in different directions for the further elucidation of particular points which were touched upon in the course of my argument. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
