From Joseph M Murphy : Osun Across the Waters : A Yoruba Goddess in before purchasing it in order to gage whether or not it would be worth my time, and all praised Osun Across the Waters : A Yoruba Goddess in:

2 of 2 people found the following review helpful. I love this informative book and am constantly looking to it ...By Lana HansonI love this informative book and am constantly looking to it for references and reminders of the powerful Orisha Oshun.1 of 1 people found the following review helpful. Great bookBy Tony SBeautiful book. Lovely survey of my mother Oshun and devotion to her across the waters.4 of 4 people found the following review helpful. 5 stars 5

millions times overBy Gerad C. PayneI had such a difficult time putting this book down. It has a wealth of information on Oshun Ore Yeye O. It has helped me to develop an even more personal relationship with Oshun...as the elders always say....knowlege is the key! This book is the key that has for me open that door to receive a wealth of information. As an Iyawo of Oshun it has helped me to understand the essence of my mother Oshun.Purchase this book you WILL not regret it and recommend it to others.Oshun's blessingsAse O

sun is a brilliant deity whose imagery and worldwide devotion demand broad and deep scholarly reflection. Contributors to the ground-breaking *Africas Ogun*, edited by Sandra Barnes (Indiana University Press, 1997), explored the complex nature of Ogun, the orisa who transforms life through iron and technology. *sun across the Waters* continues this exploration of Yoruba religion by documenting sun religion. *sun* presents a dynamic example of the resilience and renewed importance of traditional Yoruba images in negotiating spiritual experience, social identity, and political power in contemporary Africa and the African diaspora.The 17 contributors to *sun across the Waters* delineate the special dimensions of sun religion as it appears through multiple disciplines in multiple cultural contexts. Tracing the extent of sun traditions takes us across the waters and back again. *sun* traditions continue to grow and change as they flow and return from their sources in Africa and the Americas.

About the AuthorJoseph Murphy is associate professor in the Theology Department at Georgetown University. He is the author of *Santeria: An African Religion in North America* and *Working the Spirit: Ceremonies of the African Diaspora*.Mei-Mei Sanford received her doctorate in Religion and Society from Drew University. She was a Fulbright Fellow in Nigeria. She currently does research in Nigeria and in African-American and Yoruba expatriate religious communities in the United States.
