A peek into the pastBy Margaret SongerThis book is very interesting because it shows how people were to behave in the 1870's. It's a great way to peek into the past and see why we do some of the things we do today. It must have been a very useful book when it was very new so people could heal, rebuild society, and get back to normal after the horrible Civil War.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
