**Jose Penin : Penin Guide to Spanish Wine 2010** before purchasing it in order to gage whether or not it would be worth my time, and all praised Penin Guide to Spanish Wine 2010:

0 of 0 people found the following review helpful. They know wine making in Spain. By Pablo A Calvin Penin knows his business. Very useful reference book on Spanish wines. PACO of 0 people found the following review helpful. A Glorified Tasting Review By Roger High The main focus of this book is to provide tasting notes and marks to a selection of wines from Spain. It is published yearly. The book makes rather dull reading, with many descriptions being more or less the same for quite a number of wines and not particularly informative about the wines value for money, aging prospects etc. I also disagree with a number of reviews, particularly those of Andalusian / sherry wines,

but hey this is not the first time that I have different views from wine judges / experts / reviewers!4 of 4 people found the following review helpful. penin guide to spanish wine 2010By James RiveraThe 2010 edition of the Penin Guide to Spanish Wine 2010 is the best to date. I enjoy the larger format and what seems like extra maps. Overall they did an excellent job on the 2010 edition.

o The most comprehensive and the most up-to-date guide to Spanish wine - more than 8,700 wines tasted, more than 13,000 brands reviewed and more than 2,700 wineries listed This book is an excellent guide for both the connoisseur and the amateur and is arguably the most comprehensive and most updated wine guide in Europe. It explores how the different flavors are affected through their conditions, such as origin, soil, climate and grape variety. It also instructs on the basics of wine tasting and advises on how wine should be kept and for what length of time. With an independent and realistic analysis of each region with the "Penin rating" of the 2008 vintage according to the tastings and some of the best wines, Penin's Guide to Spanish Wine 2010 also boasts the largest podium of Spanish wine history; it is the definitive guide to Spanish wine.

About the AuthorJose Penin is the best known and most influential authority on grape and wine production in Spain. With over 30 years of experience, he is the most successful wine writer and journalist in the Spanish speaking world today. He was honoured in 2007 with a Special Award of the Jury in the Gourmand Book awards for world's best wine writer.
