Sekkizhaar, Translated into English by G. Vanmikanathan : Periya Puranam: A Tamil Classic on the Great Saiva Saints of South India (English Translation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Periya Puranam: A Tamil Classic on the Great Saiva Saints of South India (English Translation):

2 of 2 people found the following review helpful. Awesome book on 63 Saints By rpv This book is published by

Ramakrishna Mission, a reputed leader in Indian religious book arena. Peria Puranam is a Tamil classic and this is a translated version, chronicling the story of 63 Great Saints of Shiva tradition called Saivaites. Hard bound book, and for any lover of peace/reading into Hinduism and meditative practices, this is an awesome book. It has secured a place in my library for reading in casual times as well as serious contemplative times. I have several books from the same publisher and I am not disappointed ever. 1 of 1 people found the following review helpful. An eye opener By Rahul The original content is a great eye opener. The translation maintains the same devotion and respect and helps us feel the same 0 of 1 people found the following review helpful. Five Stars By Customer Wonderful!!!

The Tamil devotional classic Periya Puranam, or Great Purana, is the saga of the sixty-three Nayanmars, or servitors, of the Lord. Compiled during the 12th century by Sekkizhaar, this poetic account of the legendary lives portrayed here reminds us that saints appear to us from all walks of life. These Nyanmars are men and women of all ages, and range from tribal hunters to emperors of vast domains. Caste and community, wealth and status do not count with them, as they do not count with God. The trials and tribulations that the saints cheerfully undergo and the sacrifices they make are inspirational. To read their stories is to inhale the air of blessedness. This major text of Saiva Siddhanta has been translated and condensed from the Tamil by the eminent Saivite scholar, G. Vanmikanathan.
