From University of California Press : Pilgrims and Sacred Sites in China (Studies on China) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pilgrims and Sacred Sites in China (Studies on China):

1 of 2 people found the following review helpful. it would be nice if this was mentioned at point of purchase By Stephen MK Chua I received a print on demand copy. While it is acceptable, it would be nice if this was mentioned at point of purchase. I was expecting a "true" copy. The binding of a print on demand copy is simply not the same.

Until now, China has been scarcely represented in the burgeoning comparative literature on pilgrimage. This volume remedies that omission, discussing the interaction between pilgrims and sacred sites from the tenth century to the present. From the perspectives of literature, art, history, religion, politics, and anthropology, the essays focus on China's most famous pilgrimage mountains as well as lesser known sites.

About the Author Susan Naquin is Professor of History at the University of Pennsylvania. Chn-fang Y is Associate Professor of Religion at Rutgers University.
