Mari Hanes, David Danz : Pocahontas: True Princess: A Young Girl's Breathtaking Story--And Her Amazing Journey to Faith in God before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocahontas: True Princess: A Young Girl's Breathtaking Story--And Her Amazing Journey to Faith in God:

4 of 4 people found the following review helpful. Pocahontas; True PrincessBy mameyePocahontas: True Princess is an excellant book. In fact though it is a fiction book, the author went into a lot of research to come up with very interesting facts about Pocahontas's life. I expecially appreciated how the author shows God's guidance in her life even when she was yet an unbeliever in Jesus Christ. Indeed the author of this book knew well how a child would think and weaves her ideas into Pocahonta's life very well. Thus young and old readers alike can throughly enjoy this book. In fact, I have been reading this book to my sister in a nursing home and we have been enjoying the book immensely together. Personaly I believe every Christian home with growing children should have this book.0 of 0 people found the following review helpful. Beautifully written. Could hardly put it downBy Natural OneBeautifully written. Could hardly put it down. The sequel of her son is a must read as well. My 8 9 yo boys loved both books. Some dark moments at first because of the old spirit man (devil worshipper), but very redeeming, read on...5 of 5 people found the following review helpful. We loved this!By K. RayMy 6 year old son and I liked this so much that

we ended up reading the whole thing in one day. It showed how she lived, what her people believed, the conflicts, and even how she became a Christian. We have been studying early American history in his textbook and have also enjoyed watching Pocahontas from the Nest Family movies. This fit in well. We'll be keeping this book around for his siblings to read later.

Now children will see Pocahontas as history truly portrays her: a spirited child much like them. Based on careful and thorough research of the full record of her life, this book tells the story of Pocahontas and the adventures that led to her heavenly father.
